

## Join us for NLCCS 2024 SUMMER CAMPS!

New Life Community Christian School will offer summer camps for kids ages 3-11, as well as continuing to offer nursery care for Infants, Toddlers, and 2's throughout the summer.

Every week we will explore a theme with enriching educational activities. We're offering a well-balanced line up of weekly themes including Olympic Camp, Art Camp, Science Camp & fun-filled Bible Camp with music, drama, crafts & games. Spaces are limited and camps will be filled on a first come, first served basis. Please call the school office, or email [director@newlifecrc.org](mailto:director@newlifecrc.org) for more information.
