This week's objective is

At Home Learning Activities

Monday Read a story to your child. While you are reading choose one or two pages for your child to illustrate. (Don't show the pages) After your child has finished drawing discuss the similarities and differences of their drawings and the pictures in the book.

Tuesday Sticker Stories- Give your child five to six stickers to place on a piece of paper. (not to close together) Provide your child with crayons, markers and colored pencils to add details to the paper. After the drawing is complete ask your child what is happening in the story.

Wednesday Hide Legos around your home. Set a timer for two minutes and have your child find the Legos. As they bring the Legos to you make sure they are counting. If your child needs help finding the Legos give clues. For example, the red Lego is under the table. Hide the Legos again to see if they can find the Legos in one minute.

Thursday: Your child will find small items and then sort by color.

Friday:

Start by adding clouds and grass to a piece of paper. Give the picture to your child and have them to finish it. Switch roles and have your child preschooler to start a picture and give it to you to finish.
