

At Home Learning Activities

Monday Introduce the letter Mm to your preschooler. Talk about the shape of the letter, show pictures of words that start with the letter Mm, and the sound that the letter makes. Sing songs and read books about the letter Mm. Play the ABC song.

Tuesday Play a game of go fish with your preschooler. Feel free to use playing cards if you don't have the "actual game." You can focus on shapes and numbers.

Wednesday Fill a clear plastic bin with water. Gather different toys and items around the house that are able to get wet. Have your child predict which items will sink to the bottom and which ones will float. Sort the items into the 2 piles – sink and float. Have your child preschooler to drop the items into the water to see if they are correct.

Thursday: Add a long piece of tape to your floor. Challenge your preschooler to "walk the plank." Choose an action for gross motor skills, such, crab walk, tip toe, big steps, walking backwards, jumping on one foot, waddle like a duck. At the end of each exercise give your preschooler a command, such as, count 10, jump five times, do three jump and jacks, etc.

Friday: Spread shaving cream on a smooth, flat surface. Allow your child to explore by drawing letters, numbers and shapes in the shaving cream.
